

Protecting Your Business Starts with Securing Your Assets!

THE SWISS DATA CENTRE COMPANY

Switzerland is the ideal tax-efficient location for consolidating your European corporate data centre operations. Over the next 25 years, it will provide a stable, low-risk environment with a consistent and abundant source of available power.

Find out why some of the leading companies in the world rely on Safe Host. To contact our sales team, e-mail sales@safehost.net or call +41 (0)22 884 50 00
